

Mayflower Compact

RENEWAL OF AMERICA'S COVENANT WITH GOD

NOVEMBER 11, 2020

In the name of God, Amen. We whose names are underwritten, the loyal subjects of our Sovereign Jesus Christ, by the grace of the God of Israel, Great Britain, etc. Having undertaken for the Glory of God and advancement of the Christian Faith and Honor of our King and Kingdom, a sacred endeavor to reset the United States of America's covenant with our Creator, culminating on this 400th anniversary of the signing of the Mayflower Compact; do by these presents solemnly and mutually, in the presence of God and one of another, hereby request and receive the very hand of God in the reconstitution of this covenant of marriage between Jesus Christ and our land.

We acknowledge with solemn gratitude that You have granted our request for an annulment of all covenants with other gods, with death and hell, empowered by unjust bloodshed, which we and our forefathers had made and succumbed to, resulting in our present condition. We seek you now to establish us in Your covenant of Life. And with all solemnity and deference to Your Majesty, we request that Your Glory, the Presence and Power of Holy Spirit, might now return and reside again in this land, releasing awakening, union, moral clarity and Life.

In a larger sense, we realize that our pleas alone can not dedicate—can not consecrate—can not hallow—this ground. The brave men and women, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. And as one small candle can light a thousand, so the light here kindled has been passed unto all successive generations first because You keep covenant, and show great mercy.

With this at heart, for consideration in this Petition, we present to You the Covenantal legacy of the Pilgrims, who on 11-11, 1620 committed the land and government to “the glory of God and the advancement of the Christian faith,” according to the Mayflower Compact.

And we present to You the Covenantal legacy of the Huguenots who came to this land with the same intention—whose blood was spilled and mission aborted—whose founder died chanting Psalm 132, begging Your Majesty that this land would be a “dwelling place for the Mighty God of Jacob.”

And we present to You the covenant of the Virginia Company, whose chaplain declared the dedication of this land for the acceleration of Christ's gospel to the world, even sealing it with a planted cross;

And we present to You the covenant of William Penn, whose devotion to the principles of Christ in governance revolutionized the nation and world;

And we present to You the original intent of many Host people of the Land—who agreed from the beginning that both ownership and stewardship belongs to their Creator and Father. Who sought with reverence to honor the Laws of Nature, and Nature's God. To whom You endowed great wisdom, even to convey and implement principles of democratic governance that framed the United States Constitution.

And finally, we present to You the legacy of the Seed of Abraham, by which Your Covenant with Israel and Mankind has been perpetuated. Our gratitude is immeasurable that You have chosen to graft us into this Covenant! To this end, we fully commit our covenantal stewardship to resource the dream of Your heart for Israel, the Jewish people, and for the nations.

Having undertaken the sacred task of repairing our Nation's founding covenants with our Creator; and having diligently and wholeheartedly sought forgiveness for breaches of said covenants, offensive to God and detrimental to mankind; we now solemnly and mutually, in the Presence of God and one another, combine these founding covenants as one Sacred Consecration of this land, the United States of America and all of its territories, to the Lord Jesus Christ.

It is for us the living, now, to be dedicated here to the unfinished work which all who struggled for America's alignment with Your covenant have thus far so nobly advanced—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth.

And as You have engraved us in the palm of Your hand; as You have granted us this gracious judgement in favor of the saints, this Verdict of Your redemption; so we again request and receive the Hand of God in marriage, unto whom we promise all affection, loyalty and sacred obedience.

In witness whereof we have hereunto subscribed our names in Plymouth, Massachusetts this 11th day of November, 2020.
