If there is one cry that reaches the heart of Abba, it is certainly the one that springs from the agony of a parent searching for their lost son or daughter. If there is one jubilation that rejoices the human heart and heavenly angels it is the turnaround and return of the one sought after. Jon and Jolene's Turnaround experience with their son is one of the greatest stories ever told. "Unto to us a child is born. Unto us a Son is given!" Sometimes God breaks into our world of pain and prayer in such extraordinary drama that we are awakened to the fact that it was sent and meant to become a God movement that touches the world. I'm convinced that Turnaround Tuesday is one of those prayer movements. Let faith explode in your heart as you read of the Christmas Day drama and the decrees that made a dream come true and could become the road of return to a million dreams come true.

When you read *Turnaround Decrees* by Jon and Jolene Hamill, faith begins to arise that anything going in the wrong direction can turn into God's destined path. The last time I was in Washington, DC, I gave a word about the need for turnaround. People hear the Word of God often, but Jon and Jolene hear the Word of God and then activate that Word into reality. *Turnaround Decrees* is an account of watching God turn around situations that are headed in the wrong direction and causing the best to manifest. Whatever

situation you are in, this book will give you examples of how to decree the turnaround so your best is yet ahead.

Voices that Can Be Heard! There comes a time when Authority is added to Revelation and it creates a “Voice that Can Be Heard”! It not only becomes a Voice that Can be Heard but it becomes a Voice that *must* be heard. That is exactly what has happened with the lives of the dynamic duo of Jon and Jolene Hamill. They are like a wrecking ball that tears down strongholds of the enemy and builds up a fortress of protection for Jesus Christ’s sake. This is their greatest work in their finest hour.

This message is a “now word” spoken with clear prophetic insight and empowerment. It is a clarion call. While the destiny of nations, our nation, and the generations hang in the balance, now is the time for the warriors and the prophetic watchmen to arise. Many have felt themselves in a Jacob season of wrestling with the Lord—not wrestling from a place of struggle in our personal relationships with Him, but seeking His voice and direction on, How do we move forward? How do we pray? How do we engage in spiritual warfare and advance victorious in this season? How do we stand in the midst of government turmoil and shakings?

In this hour, the Lord is truly speaking Kingdom strategies of victory. That’s what you will discover in this book. For all who are

called to be an influencer in this Holy Spirit Era, this prophetic “now word” will give you the faith to resound with a “Yes, Lord! Here I am. I resolve to move forward to see the schemes of the enemy plundered and Your Kingdom awakening and harvest for both generations and nations manifest.”

My friends Jon and Jolene Hamill have lived the forerunning message contained in their new book *Turnaround Decrees*. It is filled with firsthand accounts of how securing covenant becomes the foundation for seemingly impossible turnarounds. For those who long to see breakthrough secured for their families, cities, and nations, this book is both a roadmap and a training manual. You will discover the power of decrees sourced in covenant that bring about God’s redemptive purpose and how to release them in your

own life. May you be impacted as I was to see this Elijah mandate, turning the hearts of fathers back to their children, fully realized. It's turnaround time!

Many have wanted to change their past, wishing they could “right the wrongs” but hopelessly believing it wasn't possible. In *Turn-around Decrees*, you will find the hope to change the past and prepare for the future. We can be part of redeeming the timelines for our nation, our families, and our individual lives. This is a book of proven events that will give you tools to see the Kingdom of God and His covenant destiny come into place. Jon and Jolene's ability to communicate the events and provide a scriptural foundation is outstanding. They have been faithful carriers to redeem the time. This book, along with *Washington Watchmen*, are ones I highly recommend to advance your walk with God.

Jon and Jolene have put in an encapsulated form a “Glory scroll” for us to swallow! Get this to the people! I am fired up to see these prophetic assignments and understanding come together.

True scribes of our day, Jon and Jolene have chronicled from a front-row seat the ebb and flow of the prophetic and prayer movements over these last 20 years. Now they are coming to define them. This

book gives clarity and a solid direction for the 2022 campaign and beyond. It is a “Time Gate” script!

Jon and Jolene share with the authority of authenticity in this timely, strategic book that is a gift to the global prayer movement as well as to those praying for America. We have walked together with Jon and Jolene for over 20 years, and prayed together to see some significant “turnaround” moments here in Israel. More than ever, we must not give in to the hopelessness that has been released against so many intercessors. This book will give you new hope, new courage, and new revelations to see mighty turnarounds in your family, city, and nation.

Similar to their previous books, in *Turnaround Decrees*, Jon and Jolene establish a concise, targeted revelation that empowers the entire Body of Christ. By masterfully knitting together our nation’s inheritance, the word of the Lord, and the God-given dreams and visions, this step-by-step guide provides an equipping strategy and key markers to navigate the days, times, and seasons ahead. Through the decrees in this book you, too, will witness the Breaker breaking through and bringing transformation in your world.

Psalm 11:3 reminds us, “*If the foundations be destroyed, what shall the righteous do?*” This book, the latest masterpiece from Jon and Jolene Hamill, leads us to the answer.

Jon and Jolene Hamill’s prophetic work has taken them from Washington, DC, to every state of our republic, as well as to Jerusalem. In their newest book, *Turnaround Decrees*, they cast a vision for a global movement to release God’s turnarounds in the lives of individuals, nations, and families, turning the hearts of the fathers to the children and children to their fathers through “Turnaround Tuesday prayer.” They lead us with mighty decrees and strategies from heaven’s War Room. And they give many practical applications so you can gain consistent, proven results.

Jon and Jolene together have the pulse of the prophetic similar to the men of Issachar who “understood the times” (2 Chron. 12:32). They have stood on the wall and have been faithful to watch and warn—vigilant in their watching, and vigorous in their warnings.

I passionately appreciate Jon and Jolene’s emphasis on the hidden power of covenant to unlock God’s turnaround. As with Jon, my ancestor John Robinson was also among the Pilgrims whose legacy established America as a nation in covenant with God. Robinson was known as the pastor to the Pilgrims, mentoring them, sending them on their mission. Through the Return gatherings, government consultations, and other ministry work we are also intensively

focused on keeping our treasured inheritance alive. It's the only way true freedom will remain. For this alone it is a must-read!

The heritage of Jon's DNA continues to flow from his distant relative Paul Revere as well, as a watchman for America's freedom. That said, an undelivered speech about freedom by John F. Kennedy seems hauntingly prophetic for our watch in history. On November 22, 1963, in Dallas, Texas, shots rang out as President Kennedy was assassinated. At 43 years of age, the youngest president ever elected also became the youngest president to die, after serving barely a thousand days. Kennedy was on his way to the Dallas Trade Mart to deliver a speech, in which he prepared to say:

“We in this country, in this generation, are—by destiny rather than choice—*the watchmen on the walls of world freedom*. We ask, therefore, that we may be worthy of our power and responsibility, that we may exercise our strength with wisdom and restraint, and that we may achieve in our time and for all time the ancient vision of peace on earth, goodwill toward men. ... That must always be our goal—and the righteousness of our cause must always underlie our strength. For as was written long ago, *Except the Lord keep the city, the watchman waketh but in vain.*”

You and I are being called and equipped as watchmen on the walls of world freedom. Thank you, Jon and Jolene Hamill, for summoning us to arise.

DEDICATION

THIS YEAR LAMPLIGHTER MINISTRIES celebrates 10 years of ministry to Washington, DC, and from Washington, DC, to the nation. The Lord is so faithful! What once seemed impossible has come to pass before our eyes. In the words of our forefathers, let the glorious Name of Yeshua have all the praise!

In Jesus, this book is dedicated to Bill and Marlene Brubaker, who served tirelessly as intercessors from Washington to Washington to Jerusalem, and as a mom and dad to the Lamplighter family.

Jolene and I also want to honor many other friends with similar passions, whose lives were also cut short in this season of challenge. Undoubtedly their work continues from the other side of the veil.

This book would not have been birthed without the visionary direction and friendship of Tina Pugh and Destiny Image; the vigilant intercession of Lori Perz and our amazing prayer team; and the capable oversight of Martin and Cindy Frankena, tasked with the impossible mission of keeping us on track. Special thanks to Mike and Cindy Jacobs and the ACPE, Jim and Becky Hennessey, and Lou Engle for launching with us this Turnaround Tuesday movement. Thank you, John Benefiel, Kevin Jessip, and Chuck Pierce, for providing key apostolic counsel. Thank you, Dutch and Ceci Sheets, for being there for us, for sharing dreams, and for writing the foreword.

Speaking of counsel, we'd also like to extend our profound gratitude to Russ and Julie Zylstra, as well as Tom and Linnie Harlow, and our ever-capable home group, for your friendship, wisdom, revelation, and support.

We cannot fail to mention Chris Mitchell, Jr., Jamie and Redonna Jackson, Shoshana (aka the "Isaiah 54 girl"), and many others whose efforts toward securing God's turnaround have made it into these pages. Thank you for your collaboration!

Finally, we want to honor all our friends and supporters across the nation, whose ceaseless vigil has helped keep our lamps burning to this day. No King but Jesus!

"It is for us the living, rather, to be dedicated here to the unfinished work which they who fought here have thus far so nobly advanced. It is rather for us to be here dedicated to the great task remaining before us—that from these honored dead we take increased devotion to that cause for which they gave the last full measure of devotion—that we here highly resolve that these dead shall not have died in vain—that this nation, under God, shall have a new birth of freedom—and that government of the people, by the people, for the people, shall not perish from the earth."

FOREWORD

MUCH HAS BEEN SAID OF LATE about the subject of “turn-arounds.” Perhaps that’s because we need them so desperately. Individuals, families, businesses, governments, churches, education systems—sadly, the list could go on and on—are all in desperate need of turnarounds. In America we kill babies, no longer know the difference between male and female, teach kindergartners that they can change their genders, elected a mentally declining president, distort and revise history, embrace socialism, spend trillions of dollars we don’t have, keep strip clubs open while shutting down churches, censor truth while promoting lies, and other completely insane activities way too numerous to mention here. My purpose is not to shock you—I’m sure that, like me, you’re way past that—but to state emphatically: **WE NEED THIS BOOK!**

The subject of spiritual “decrees” has also begun to increase in the Church, though not with the necessary level of understanding and participation. Holy Spirit has a plan to change this: The revelation meter is about to amp up. He is adding to our spiritual arsenal by bringing further insights regarding this important exercise. It’s true that believers have long known the power of God’s spoken words—they created the universe, after all. However, realizing the power of **OUR** words, when biblically based and inspired by Holy Spirit...well, that’s been rarely understood.

This is about to change.

The prayer, prophetic, and apostolic movements of the last 40 years have caused a tremendous increase of revelation in the Church, and we

are beginning to see the fruit of this. Seeds take time to grow, but Holy Spirit's seeds have now been planted. Their sprigs have broken through the soil, plants have formed, and fruit is maturing. The glad tidings of salvation announced at Christ's conception didn't materialize for 34 more years, and after much blood, sweat, and tears, I might add. So much for "instant gratification" turnaround. But as surely as the words of the Holy Spirit came to fruition then, they will today. It takes time for our Helper to restore truth and giftings to the Church. But you can rejoice in the fact that the fruit of what the Holy Spirit has been orchestrating over the last four decades is about to manifest. *Turnaround Decrees* will greatly aid this process.

There is a vast reservoir of untapped power in the womb of most believers, just waiting to be released. This "river of living water" (John 7:37-38) is filled with miracles, conversions, healings, deliverances, wealth, and numerous other descriptions of "abundant life" (John 10:10). And when its water merges with other wells and streams, the power multiplies into a nation-transforming dynamo. Make no mistake about it, the power to change the world resides in the womb of the Church, lying in wait for the spirit of revelation to awaken it.

And Heaven's alarm clock is about to sound.

This book, and I'm sure there will be many more released by Holy Spirit, is part of Heaven's reveille. The Captain of the Lord's Host has issued a command from Heaven, and Holy Spirit is releasing it on earth: "Wake up, Church! I need you to be who you are. You're My government on earth, My power agents, My ambassadors, My distributors."

Jon and Jolene Hamill have given us a brilliant, compelling, practical, and captivating tool. It will stir the pregnant waters of the strongest force on earth. The power in you will be unlocked as you read it, and you will see personal turnarounds. Just as importantly, Heaven's cause on earth will see turnarounds, as well. I guarantee it.

INTRODUCTION

A GODLY DEFIANCE

THIS IS A BOOK ON TURNAROUNDS—specifically how to partner with God to receive His turnaround, align with His turnaround, and decree His turnaround to impact your world. You probably would not be exploring these pages unless you were seeking a change in your trajectory from the Lord yourself!

Maybe you are seeking a turnaround for your loved ones, for your marriage, your health, your business, or for a deeper relationship with Jesus. The chapters ahead are packed with examples of dramatic, documented turnarounds manifested by His hand. Equally important, each chapter conveys proven biblical principles that will help you secure similar results.

Many of the strongest breakthroughs are intensely personal, and we share them with the goal of equipping you to overcome challenges in your own life and family. Turnaround time!

Above all, you will learn to make decrees from your position of kingship before God's throne, seated with Christ in heavenly places and ruling with Him to impact your world.

The nations will understand this clearly in the days ahead. You and I are now being granted a rare opportunity to both gain understanding and pioneer a new movement.

We are in an hour similar to the era of the American Revolution, except this time the authoritarian regime contending to steal our

freedom is actually embedded within our own government and culture. In this way, we have perhaps most closely resembled pre-World War II Nazi Germany.

Too extreme? Keep in mind Germany was a strong Christian nation, actually the birthplace of the Protestant Reformation, when it was taken over. Propaganda developed by the Nazis radically shifted their nation and culture away from their covenantal foundations, and toward dictatorship. More, the propaganda infused within many, youth especially, a welcoming of governance by dictatorship.

Keep this in mind: All totalitarian movements seek to indoctrinate coming generations. They target our children. This is happening here in America at a dramatically accelerated rate. And it puts in jeopardy those you love the most.

The good news is that the Lord is giving us a way not only to stem the tide but reverse it. It is against this backdrop that, in 2021, the Lord encountered me and again decreed a season of turnaround. As you will discover, this turnaround is on a personal level first, then to our nation and nations. We believe it will become the most comprehensive turnaround in modern history. For His glory! That is what this book is primarily about.

All this noted, our hour of history mandates godly defiance to forces seeking to define our future apart from God's desire. As Ben Franklin famously observed, "Rebellion to tyrants is obedience to God."

I am reminded of the courageous rabbi and his wife who lit a Hanukkah menorah in their window overlooking an oversized Nazi flag. Daniella Greenbaum wrote a powerful recounting for the New York Times. "In 1932, just before Hitler's rise to power, their menorah shone brightly for all their neighbors to see. Its light—and the meaning behind it—was made all the more incandescent given the symbol of Jew-hatred hanging from the building across the street."¹ According to the article, on the back of their Hanukkah a simple declaration was

inscribed, borne of this act of godly defiance. Rachel Posner, the wife of renowned German rabbi Avika Posner wrote: “‘Death to Judah’ so the flag says. ‘Judah will live forever,’ so the light answers.”

Friends, what is your own light speaking? As we embark on this journey through God’s turnaround decrees, please know that your burning lamp is the ultimate decree. One small candle can still light a thousand. It overcomes all the encroaching darkness, if only you resolve to shine.

No King but Jesus!

PART 1

WHAT ARE TURNAROUND DECREES?

CHAPTER 1

TURNAROUND TUESDAY— A NEW MOVEMENT

“I kept watching, and that horn was waging war with the saints and prevailing against them, until the Ancient of Days came and judgment was passed in favor of the saints of the Highest One, and the time arrived when the saints took possession of the kingdom.” (Daniel 7:21-22)

EARLY IN THE MORNING ON JULY 4, 2021 a scroll appeared before me (Jon) in a vision, hovering over our bed. It then unfurled. Similar to the Declaration of Independence and other historical parchments defining new eras for mankind, this scroll was golden brown and brighter in the middle than on the sides. It looked aged. But surprisingly it was completely blank.

During the vision of the unfurling scroll, I suddenly “knew” five things from the Lord:

Scrolls from Heaven are now being released with the potential to dramatically reshape our world. We have come to refer to these scrolls as “turnaround decrees.” Tremendous authority is accompanying each turnaround decree to catalyze God’s intended breakthroughs.

God’s decrees frame the ages, the epochs, the eras. Just as “Let there be light” unleashed a new beginning for the world, so His decrees over your life can bring the light of dawn to your darkest hour, or your children’s greatest challenge.

Which brings up the second point.

The blank scroll seen in the vision is being made available for each person who earnestly desires it. As with Queen Esther in her day, the Lord is inviting you to become an active participant in His rulership. This means that you and I have a vital role to play in securing these decrees, seeking Him for revelation, and then declaring words that change history.

“Now you write to the Jews as you see fit, in the king’s name, and seal it with the king’s signet ring; for a decree which is written in the name of the king and sealed with the king’s signet ring may not be revoked” (Esther 8:8).

The scroll appeared aged because the words which would soon fill it were not only going to impact the future, but the past. This third “knowing” imparted in the experience is fascinating. Through your efforts, the Lord’s decree will become a bridge through which His healing connects with the past, the present, and the future all at once.

(Please note that you cannot escape your past. But you can actually repair it. In a *Back to the Future* way, you can repair your past to redeem your present—and restore His dream for your future. More on this soon.)

From this point on in the story of America, everything is new. That’s another reason why the scroll is blank. It was as though the words of the Declaration of Independence, signed on July 4, 1776, were awaiting sequels that ensured the continuance of its legacy. Freedom has not changed. But the challenges we face to secure, protect, and defend our liberty have changed from the days of our nation’s founders. Freedom decrees are now being issued to define the eras ahead.

But there was a warning attached to this knowing. I saw how malign forces seek to take advantage of this “time gate” for new beginnings to erase our independence, replacing it with a dominion of veiled

totalitarianism disguised as “freedom,” sourced in spiritual darkness. Literally a takeover. To accomplish their quest, these forces are first seeking to eradicate our covenantal legacy in God. The good news is that, at the very same time, Heaven’s gates are open to help us realign covenantally with the decrees of our foundational liberties in a way that reconciles our past and empowers this precious gift for generations to come. Mark my words. Either we as a nation make this shift, or we will eventually yield to the enemy’s intentions.

The anniversary of the signing of the Declaration of Independence, July 4, 2021, marked the date I was to begin writing *Turnaround Decrees*. The book began with this humble step of obedience.

I wonder if America’s founders were at all intimidated by the specter of filling the empty space on the scroll we now know as the Declaration of Independence. History bears witness that they struggled, they argued, they prayed. Amazingly their sacred decree started a revolution and birthed a freedom nation, turning the known world order upside down. My prayer is that the unfurling of these scrolls today will grant you, and perhaps our nation, a similar window of opportunity.

Discovering the Power of God’s Turnaround

Jolene and I have experienced miracles as we pursued God’s turnarounds, at His direction. It all began in 2014 when we were directed by Holy Spirit to a passage of Scripture we have since come to call the “Turnaround Verdict.” We gathered at Faneuil Hall in Boston on 7-22 to receive this Daniel 7:22 verdict. Historic Faneuil Hall is actually where many founders met to mobilize toward the American Revolution. And the gathering proved revolutionary for us. The trajectory for us personally, as well as for the nation, began to shift dramatically from that date forward. From Daniel 7: *“I kept watching, and that horn was waging war with the saints and prevailing against them until the Ancient*

of Days came and judgment was passed in favor of the saints of the Highest One, and the time arrived when the saints took possession of the kingdom” (verses 21-22).

The “Turnaround Verdict” conveys a dramatic change of events. One moment the saints are being utterly defeated, while the next moment they are being released to possess the Kingdom. Wow, does that sound familiar to our world!

The process shown—approaching the Lord as the Ancient of Days, and securing His verdict in your favor—is central to unleashing the potential of Heaven’s turnaround in your life and sphere.

So many miraculous interventions occurred immediately following the release of this verdict. Churches have come alive. Broken lives have been repaired. Physical healings have occurred. Lost people have discovered, or rediscovered, the power of

their Redeemer. Longstanding promises seemingly stuck in a perpetual void have suddenly come to birth. The faithfulness of our God has become His real-time handiwork in everyday life, for all to see.

Not that all will celebrate. Some of God’s greatest turnarounds, especially on a governmental level, have provoked unimaginable vitriol and resistance. Especially when their power base begins to shift. Yet still, the Kingdom has advanced.

It has been an incredible honor to experience so many of these turnarounds firsthand in Washington, DC, even at the White House, as we saw the

and sphere.

Lord move in response to relentless prayers. Many of our experiences are recorded in our previous book *White House Watchmen*. We saw the restraining of government-funded abortion, nationally and internationally. Economic resurgence has lifted all Americans to new levels of prosperity, especially women and minorities. Judges appointed to the Supreme Court and district courts have already begun to shift the judicial branch away from judicial activism and toward basic constitutional law. Collaboration with Israel replaced punitive measures against the Covenant Land. Even the US embassy was relocated to Jerusalem! And the Abraham Accords brought diplomatic breakthroughs once considered impossible. Freedom of religion was also significantly empowered, nationally and nationally. And so much more.

We cannot escape the fact that America suffered extraordinary collateral damage as well, due to challenges both within and without. Perhaps that's why consistent, strategic intercession was so sought after by many governmental officials. We'll explore all this more in the pages ahead.

But I will say unequivocally that many epoch-defining turnarounds came in concert with the Daniel 7:22 verdict for our land: judgment in favor of the saints, restraining the forces of darkness, and releasing the saints to possess the Kingdom. In short, turnaround!

Then suddenly it seemed as though the hand of God had lifted.

Our home is a watchman's perch that overlooks Washington, DC. From our condominium in Pentagon City, the White House, the Capitol, the Supreme Court, and the State Department are all in view. And we've been privileged to touch each of these spheres in a unique way. That said, in the first few months of 2020, from our vantage point it seemed like the grace to gain His turnarounds had stopped on a dime. Not that there weren't miracles or turnarounds anymore. But success was

very tempered. Breakthroughs in governmental prayer that once seemed to come instantaneously became arduous and exhausting to attain.

Then came the onslaught of COVID-19. America masked up. The economy shook. Many of the Greatest Generation passed. The horrific death of George Floyd sparked protests nationwide as embedded racism became exposed. In major cities, movements to defund the police opened the gates wide for the largest crime wave in decades. Rioting and looting overtook our cities, even with entire blocks surrounding the White House succumbing to the scarring.

As COVID exploded, lawlessness exploded. The Trump administration fumbled. The Deep State gained. And our nation seemed to be thrust into an unstoppable downward spiral.

Then came the 2020 elections.

This brings up an important point. Though *Turnaround Decrees* stands completely on its own, it is written as a companion volume to our previous book *White House Watchmen*, published in the summer of 2020 by Destiny Image. A few challenges prophesied in *White House Watchmen* are now defining our world.

2017 Prophecy—Midnight Crises by 2020

In 2017 we prophesied that America was approaching a midnight hour and that by 2020 America would face a series of “midnight crises.” A midnight hour for America. A midnight crisis. A midnight cry. A midnight turnaround. A midnight awakening. I also saw that how we confronted these crises and overcame them, would even become a road-map for believers at the very end of days.

Of course, in 2017, we could not have imagined the onslaught of plagues, the unchecked rise of lawlessness, the influence of the deep state, and so much more. It’s pretty clear that aspect of the word proved

correct. Especially when you realize COVID-19 was first reported by China to the World Health Organization on December 31. By the year 2020, there will be a series of midnight crises...

For clarity's sake, we wrote our second book, *Midnight Cry*, around this "midnight crises" warning, and included it in *White House Watchmen* as well. *Turnaround Decrees* is the third book to highlight it. And I believe these together provide a sequential roadmap, equipping the Body of Christ to secure God's intended breakthroughs.

America is indeed in a midnight hour. The peril is real. Either we complete God's turnaround for our nation or intentional sabotage could soon become so comprehensive that it cannot be undone.

But here's some good news embedded in this very sobering warning we are now living out: The word of the Lord was clear that the opportunity remains open for you and me to not only confront the challenges but overcome them. And that's largely what *Turnaround Decrees* is about.

Turnaround Movement Reset

In February 2021, a month after Joe Biden was inaugurated, the Lord initiated a series of 4 a.m. encounters where He showed me how His Daniel 7:22 turnaround movement is being released again from the throne. By revelation, I understood the turnaround movement would be initiated beginning Passover 2021 and grow through 2022 and beyond.

America is indeed in a midnight hour. The peril is real. Either we complete God's turnaround for our nation or intentional sabotage could soon become so comprehensive that it cannot be undone.

Given the circumstances, at first I simply could not grasp this. Nor could many of my friends. Many were honestly overwhelmed by circumstances which had seemingly defied our most persistent prayers. After giving our all, we were spent. Maybe you can identify!

But the clear revelation from the Lord continued. This fresh release of God's turnaround movement will be similar to the 2014 release, but even greater in scope in a way that will impact not only our nation's governance but the next generation in a defining way.

Amazingly we saw significant breakthroughs begin again from the moment we stepped out. We still have a long way to go. But already our world has changed!

The Hebrew prophet Zechariah was in a similar mindset when the Lord visited him over the restoration of a movement. In answer to the prayers of Daniel the prophet, a turnaround had been initiated by King Cyrus in a previous season. The Covenant People were granted passage back to Israel. Cyrus even decreed the rebuilding of Jerusalem, including the Temple and the city's walls. But this movement had been sabotaged literally by the "deep state" of their day, in open defiance of Cyrus' decree of restoration. Finally, the work had stopped altogether. For decades.

"And the angel of the Lord that was speaking with me returned and roused me as a man who is awakened from his sleep. And behold a lampstand" (Zech. 4:1-2).

Biblically, the lampstand represents God's covenant and His covenantal presence. He saw the lamp being perpetually filled with fresh oil so it could continue burning. When the prophet asked about the meaning, the reply from Heaven was, *"Not by might nor by power, but by My Spirit, says the Lord of hosts."* (verse 6).

That's a word for us today!

Zechariah's awakening encounter became a sign of two things. First, a "time gate" was opening to finish the work that had been stopped. It was time to complete the turnaround!

Second, Heaven was pouring a perpetual stream of provision into the lampstand, more than enough oil for the menorah to burn continually. This symbolized the provision He was releasing to complete the Temple's rebuilding. Power to gain wealth to establish His covenant (see Deut. 8:18)!

Beginning Passover 2021, we began to prophesy the restoration of God's turnaround movement. It became time to complete the turnaround that He had initiated! And the word of the Lord began to manifest before our very eyes. The movement has only grown until this very day.

Chapters ahead chronicle both the rebirth of this movement and the vital, humbling lessons learned in the process. You will gain revelation on how the Lord is moving to prepare each of you for the future, including an unveiling of His glory, and a depth of purging needed to move into the higher-level God has called you to. Our prayer is that what you read will become experiential in a way that advances you and increases your capacity to understand the times. Best of all, you will grow in prayer, grow in resolve, and learn to fulfill your calling as a capable steward of the breakthroughs He longs to give you.

Because a time gate is now opening to complete the turnaround.

Speaking of which—by the grace of God, the greatest turnaround we've yet experienced actually came not to the nation or the White House, but to our own house. It answered the deepest longings of our hearts for our son and daughter. And it framed much of this new expression of the movement He is initiating in our midst.

Our Son's Christmas Miracle

In the fall of 2014, shortly after the Turnaround Verdict was first released at Faneuil Hall, our hearts became strongly resolved to pursue His national turnaround. A gentle rebuke redirected our path. Before we even sought to attain His national turnaround, the Lord wanted us to prioritize family turnarounds, according to Malachi 4:6: *“He will turn the hearts of the fathers back to their children and the hearts of the children to their fathers, so that I will not come and strike the land with complete destruction.”*

The parallel verse to this is Luke 1:17. *“And it is he who will go as a forerunner before Him in the spirit and power of Elijah, to turn the hearts of fathers back to their children, and the disobedient to the attitude of the righteous, to make ready a people prepared for the Lord.”*

So on Christmas Day 2014, we started a year-long project with our Lamplighter Family called “Turnaround Tuesday.” Every Tuesday was set aside for contending prayer, framed at God’s invitation by Daniel 7:22. Our sons and daughters collectively were being held captive by demonic ideologies, addictions, the breaking down of standards of sexuality, and so much more. We prayed fervently for our own children and for the children of those connected with us for the Lord’s turnaround to prevail.

And a genuine Christmas miracle broke forth exactly one year to the day we began. For discretion’s sake, I won’t go into too many details. But our son, Jonathan, had fallen away from the Lord during his final few years in college. He had become so resolved in his path that he decided to break up with his college sweetheart, whom he had been dating since his final year of high school. That was a big step because he seemed hopelessly and relentlessly in love with her. But he knew his girlfriend’s bond with the Lord meant everything to her, and he did not want to violate it when he resolved to follow a radically different path.

Our family had secured college for Jonathan at a Christian university, which he had chosen in part so he could pursue his relationship both with God and his girlfriend. Then things spiraled. The college introduced him to schools of philosophy which seemed to negate his faith. Students introduced him to partying. By graduation, he had disengaged both from faith in Jesus and from relationship with his bride-to-be.

As we prayed for our son and daughter, our prayers were met with God's decree. The words of Moses became the words of Jesus to their captors: LET MY CHILDREN GO!

In early December 2015, our son Jonathan contacted us. For the first time in years, he wanted to spend his birthday and Christmas together.

And on Christmas morning in 2015, again a year to the date we first began to pray, Jonathan experienced a dramatic visitation from the Lord. Jesus Himself appeared to him in a vision. With hands outstretched and open arms, the Son of God compelled our son to "return home!"

We were spending Christmas with my father in Sarasota, Florida, at the time. A knock came to our bedroom door very early Christmas morning. At least it seemed early.

"Hey, Dad, are you up?"

In a flashback to my son's childhood, my first thought was that he woke up early to open his gifts. But it soon became apparent he had much more important things on his mind. So I got up, and we talked. The conversation went something like this.

"Dad, I wanted you to be the first to know. I came home last night! Well, this morning actually."

"Came home?"

"Yeah. To Jesus! Dad, I had an encounter..."

Imagine a Christmas where your son, or your daughter, comes home to Christ! That's the best present a parent could ever receive. On the day we celebrate Christ's birth, Jesus was born anew in my son's heart and life. *"For unto us a child is born, unto us a son is given: and the government shall be upon his shoulder"* (Isa. 9:6).

But the turnarounds did not end there. A few months later Jonathan began dating his long-lost fiancée again. It took a while for trust to be reestablished. But in 2018, a beautiful wedding in Vermont launched them into the very dream they had originally pledged their lives to gain. They repaired the past to redeem the present. And they are going strong for Jesus to this day.

This same year of prayer brought incredible breakthrough for our daughter as well. We will share more on this in the next chapter. But this is just a taste of what can happen when you take hold of God's Turn-around Verdict for your children and resolve to pray relentlessly for their breakthroughs.

God is an incredibly faithful father. He is actually very sentimental. He remembers, and He leads with His heart. I promise it won't be long until your pleas are met with His decrees, in a way only He can bring forth!

Turnaround Tuesday—Now a Global Movement

In mid-June 2021 renowned prophetic leaders Lou and Therese Engle heard from a friend about our Turnaround Tuesday project, and the dramatic results. An urgent conversation followed. They both conveyed God's heart over the dire need to contend in prayer for our sons and daughters collectively in this season. It was time to start again. "This is a MOVEMENT!" he exclaimed. These words struck the core of my being.

Lightning struck again a few months later at the Global Prophetic Summit, hosted by Mike and Cindy Jacobs. I was seeking clarity for a startling vision the Lord had given in the midst of worship. I looked down, and suddenly my outstretched arms were cradling a beautiful newborn baby. Not knowing what else to do, I lifted the baby up and dedicated him to the Lord. It seemed right to share the prophetic experience with the group, a convocation of international prophets.

The hoarse, exuberant voice of Lou Engle once again brought God's clarity. "Jon—maybe that baby you saw in your vision was this Turnaround Tuesday movement!"

At Lou's request, I again recounted our son's Christmas miracle. He asked for details. And as we talked, we both became consumed again by God's heart to contend for the destiny of our children.

The next day Lou Engle was scheduled to speak. A prior message was put on hold. Instead, the prophet thundered on Turnaround Tuesday—turning the hearts of the fathers to the children and the hearts of the children to the fathers. He shared the story of Jonathan's Christmas miracle and even spoke on the Daniel 7:22 turnaround.

Jolene and I then prayed for this same miracle to be released on behalf of moms and dads on a global scale. "LET MY CHILDREN GO!"

And a new movement called Turnaround Tuesdays was globally launched as an imperative calling of the hour. Can't make this stuff up. Seriously!

Consider the story of Christ's birth. Or the "Turnaround Tuesday" project leading to my son's new birth on the morning we celebrate Christ's birth. Most of God's defining works are accomplished in the secret place. They are discovered amid everyday life, when few if any are aware of the significance of your journey. God sees. He remembers. And it's His signature to breathe on a miracle granted in the secret place and define the future by it.

Let's do this together! Like much of this book, the Turnaround Tuesday project is focused on two key goals. First, we will be praying for our sons and daughters in the spirit and natural to come fully into alignment with God's heart and destiny for them. Turnaround! Many will be contending for our moms and dads, our mentors, and friends as well. Let's see the Lord turn the hearts of the fathers to the children, and the hearts of the children back to their fathers! That's the key God identifies as the first priority in overthrowing the enemy's plan for our land.

Eliakims Arise!

Many are also praying over their regions and nations as part of this project, seeking the Lord to establish genuine fathers and mothers in seats of government and other spheres. Holy Spirit has riveted us on Isaiah 22, such a key passage for 2022 and beyond. It will prove transformative.

Most of God's defining works are accomplished in the secret place. They are discovered amid everyday life, when few if any are aware of the significance of your journey.

"Then it will come about on that day, that I will summon My servant Eliakim the son of Hilkiyah... I will hand your authority over to him, and he will become a father to the inhabitants of Jerusalem and the house of Judah. Then I will put the key of the house of David on his shoulder; when he opens, no one will shut, when he shuts, no one will open" (Isa. 22:20-22).

An evil leader was deposed. Eliakim was judged worthy and promoted over the king's domain. The key of David was conferred to him, with a commitment to carry out the covenantal legacy of his forefather. And he became the guy who made the decrees of the kingdom.

Interestingly, the name *Eliakim* means “God of arising” or “God of awakening.” We are in a societal awakening right now. And the Lord wants to confer His governmental authority upon any leaders awakened by His Spirit to make a difference.

You may be among these leaders. Let's ask a question. What made Eliakim worthy? His primary qualification was laid out in a simple statement from the Lord. “*He will be a father to the house of Judah*”—the nation—“*and the inhabitants of Jerusalem*”—the capital city.

Like David before him, the great shepherd of Israel, Eliakim's qualifying attribute was simply that he carried the heart of a father into his world.

We have suffered greatly due to leaders who use their position for personal or partisan gain at the expense of the people entrusted to their care. Many godly leaders have become so focused on self-preservation that they prioritize their interests above the nation. How we need true spiritual fathers and mothers at this time. We need responsible shepherds, competent in their abilities, who lay down their lives for the sheep!

Please understand. God is in no way lacking in His capacities to release turnarounds into our world. He's not rolling around on a heavenly cloud, weighing our prayers to see if our most desperate pleas are worth responding to. He has heard our cries. He is now poised to respond. Where there may be a lack is in finding virtuous partners in Kingdom governance like Eliakim, deemed worthy to release a greater magnitude of Kingdom authority. To decree a thing and see it established.

With this at heart, isn't it wise for the Lord to offer us the opportunity to lay down our lives for the next generation through contending prayer! Turnaround Tuesday. As fathers and mothers in the spiritual

realm, let's contend for the destinies of our sons and daughters. And let's pray for God's Eliakims to arise.

Equally importantly, let's seek the Lord to *become* God's Eliakims for this hour. A new breed of leaders is arising as fathers and mothers to their spheres. Like Eliakim, and David before him, they will shepherd God's people into wholeness personally and collectively. They will lead their spheres in worship, prayer, repudiation of idolatry, and covenant renewal to prepare the way of the Lord.

I want to say this prophetically: As of 2022, Eliakim becomes the standard by which the leadership of the future must be evaluated.

The Parental Revolution—a Virginia Turnaround

As of 2022, the mission has become clear. It is now time to complete the turnaround. Clearly, this Daniel 7:22 movement has now been released again from the throne, with a primary mandate to impact the sons and daughters of this generation. On both a family level and a governmental level, it's already happening.

Our home state of Virginia is proof. Against all odds, on Election Day 2021 the Virginia blues suddenly turned red. The Republican Party took credit, of course. But the fact of the matter is neither political party won this election. Instead, desperate voices of clarity—largely underestimated, marginalized, and ignored by both political parties—utterly prevailed.

Who were these mountain movers? Outraged parents!

These outraged parents simply took a stand for the well-being of their children, after enduring years of governmental impositions meant to redefine both basic morality and basic common sense. For more than a decade, truth has been sacrificed at the altar of demonic ideologies disguised as political correctness. Christianity has been marginalized. Meanwhile, the occult is openly celebrated. Godly love of country has

been equated with bigotry. The innocence of our children has been consistently violated, with teachers forcing students to decide their sexual preference and gender identity as early as kindergarten.

The courageous stand of parents is now taking hold. Your prayers are fueling a parental revolution across the land! And it's only gaining momentum.

Not coincidentally, the spark that ignited the Virginia revolution was a comprehensive cover-up of a sexual assault in a local high school. School officials had implemented ordinances that allowed LGBTQ students to utilize facilities according to the gender they identified with. A young student was assaulted in her high school restroom by a biological male identifying as a transgender woman. School and government officials were involved in the cover-up. And as the case progressed, even the Biden administration got involved, requesting the Department of Justice to label many concerned parents as “domestic terrorists.”

Domestic terrorists. You mean like Al Qaeda? Or the narco-terrorists now moving freely through our southern borders?

Until now most parents have largely tolerated these challenges, even at the expense of their children's innocence. But no more. I for one will unequivocally side with founding father Benjamin Franklin's observation that “rebellion to tyrants is obedience to God.”

Because enough is enough. It's time to rescue our kids.

God's Turnarounds Are Always Revolutionary

God's turnarounds are always revolutionary. In fact, one of the definitions of a turnaround is a “revolution.” And that's entirely appropriate. Just ponder the global shifts from the American Revolution.

You might also remember the revolutionary words of young Miriam (Mary), the mother of Jesus. While Jesus was still in her womb she

prophesied, “*He brings down rulers from their thrones!*” (Luke 1:52). According to Revelation 19:11, this same Jesus executes His duties of global rulership by judging, and making war. In other words, He renders a verdict of justice—a decree—and then launches into battle to uphold, enforce, and perpetuate His decree.

Now that’s revolutionary. As prophesied, we are now seeing:

- *A parental revolution*, as shared. Because again, enough is enough. American parents are taking a collective, courageous stand to secure the destinies of their children.
- *A prenatal revolution*. A major course correction is occurring now. How we steward issues of life, from the womb through old age, largely defines our legitimacy. The date 1-22-2023 will mark the 40th anniversary of Roe v. Wade. Maybe it’s not a coincidence that the final draft of Turnaround Decrees was finished on 1-22-2022, after beginning to write on July 4. With an overarching intention of seeing God’s mandate for LIFE nationally secured. May His turnaround decree prevail!
- *A patriot revolution*. There are unfortunate extremes. But a resurgence of a godly love of country, tied to biblical virtues which have always secured America’s greatness through hours of peril, is again at hand. Just remember that to genuinely love your nation means to always pursue truth, and speak the truth.
- *A political revolution*. Can I speak plainly? Most Americans are fed up with both political parties and the divisive intolerance that they invariably impose on our nation, simply to retain their respective realms of power, wealth, and influence. It’s time for a new way forward. Eliakims, arise!
- *A personal revolution*. First and foremost, it is time for your turnaround. Understanding how to partner with the Lord to

secure His dream personally is foundational for then ushering His turnaround in your spheres. As you move with the Lord, and implement the principles we are sharing, you are guaranteed to advance in greater wholeness toward His covenant destiny for you.

Let me balance this with a statement. As a Christian and a former journalist now in full-time ministry, truth and accuracy are nonnegotiable. For this reason this book does not sugarcoat struggles, setbacks, or the grief that sometimes encompasses the journey. When all is said and done, the securing of God's turnaround is worth it all.

Turnaround Decree 1: Consecration for Turnaround

Father God, thank You for meeting me right where I am in my journey with You. I consecrate myself wholeheartedly to You and ask for a greater measure of both intimacy with You and authority to impact my world for Your glory. Grant me a spirit of wisdom and revelation in the knowledge of Jesus, according to Ephesians 1:17. Shape me as an Eliakim for my generation. Help me to pray!

According to your Daniel 7:22 Turnaround Verdict, I ask that You grant me Your verdict of justice in my favor, restraining the forces of darkness and releasing me to possess Your Kingdom.

And by faith right now I receive Your turnaround decrees, released by You to impact my life, my family, and my world. Help me to perceive them now and in the future. As Miriam, mother of Jesus, decreed, so I decree today: "Be it unto me according to Your word!"

In Jesus' Name. Amen.

SEVEN ON A SCROLL: Engaging in Turnaround Tuesdays

Your faith is being activated for your turnarounds as you read. But faith without works, or corresponding action, is dead. That's why this project is a perfect companion for your journey.

Turnaround Tuesdays is an invitation for you to engage in fasting and prayer every Tuesday to secure God's turnarounds for your sons, your daughters, and your world. You can connect with us and with other believers weekly. And you can grow in your faith!

Here's how to engage:

- 1.** Set aside time Tuesday morning, afternoon, or evening to seek God's face for your children or loved ones. Pray! And be sure to write down impressions the Lord gives you.
- 2.** Pray Daniel 7:22. Read through the passage devotionally out loud. Gain a vocabulary corresponding to His verdict of justice in favor of yourself, your children, your loved ones.
- 3.** Pray God's protection and blessing over your sons and daughters. Psalm 91 is a good starting point. Another amazing Scripture to decree is highlighted in chapter 2.
- 4.** If you've received your heavenly prayer language, pray in the Spirit over your children. You don't necessarily know how to pray, but God does!

5. Connect with us weekly via Zoom calls or conference calls.
6. Start a “Turnaround Tuesday” group in your home, in your church, your workplace, or online. Joining with others is key!
