2025 IS THE YEAR OF THE LAMPSTAND— THE RESCUED LAMPSTAND!

Dear Friend of the Ministry,

MERRY CHRISTMAS to you and your family! This year, the Lord is moving to rekindle His fire in every heart! It's especially meaningful that Hanukkah, the Festival of Lights, begins on Christmas evening. What a beautiful convergence to celebrate the Light of the World stepping into our world.

Through this year, your faithfulness has been light and life to us, and we want to extend our heartfelt gratitude. Jolene and I are so humbled to be positioned in Washington, D.C., for this historic "turnaround moment." It's been a long time coming, and we are in awe of what the Lord is doing.

Over the past 17 years in full-time ministry, including 12 years in Washington, D.C., we've invested our lives to advancing God's covenant and releasing His turnaround. Through countless prayer gatherings, prophetic declarations, and travels across the nation, we've stood as catalysts for His Kingdom vision.

This year, we stood our ground in Washington, D.C., through intense spiritual warfare. We pressed in, prayed through, and proclaimed His promises over our nation during the most critical moments of the 2024 elections. The Redeem America project brought thousands of believers together, standing in unity with one heart looking to, "No King but Jesus!" And now, the breakthrough is here—far greater than we could have imagined.

But we're not naive. **Our work has only just begun.**

As we look to 2025, the Lord has declared it the **Year of the Rescued Lampstand**—a time to reignite the flame of first-love devotion, restore vision, and advance His Kingdom. Through initiatives like the **Burning Lamp Movement, Lampstand Summits, and Nationwide Prayer Mobilization**, we are stepping boldly into this next season of historic transformation.

To meet this call, we're believing the Lord for \$80,000 in additional funding by year's end. This will not only close out 2024 in victory but also position us to launch into what we believe will be one of the most revolutionary years in recent American history.

We're asking for your help.

Through preparation, surgery, and months of recovery, our travel engagements were curtailed this year, leaving us more than \$100,000 behind where we were last year. Yet, in this season of stillness and prayer, the Lord moved mightily. Now, we're trusting Him to make up the difference through partners like you.

Your generous donation to Lamplighter Ministries today will help ensure:

- The **Burning Lamp Alliance** ignites hearts and restores vision.
- Prophetic leaders and intercessors are equipped for this pivotal hour.
- God's light shines brightly from Washington, D.C., to Jerusalem, and beyond.

A significant window of opportunity has opened, and your partnership will fuel this mission forward. To learn more about what the Lord has called us to in this season, we invite you to visit our landing page at jonandjolene.us/rekindle-the-flame/.

Thank you for being part of this story, for standing with us, and for advancing His Kingdom alongside us.

Again—**Merry Christmas** to you and yours. May His light shine brightly in your home and your heart this season.

With hope and gratitude,

Jon & Jolene
